BUREAU OF RECLAMATION  
Pacific Northwest Region  
1150 N Curtis Road, Suite 100  
Boise, ID 83706-1234

PN-3727

June 29, 2004

To: Potential Bidders

Subject: Presolicitation Notice for Solicitation No. 04SI101578 for Cle Elum Interim Fish Passage, Cle Elum, Yakima Project, Washington

1. This requirement is set-aside for HUBZone small business concerns.

**Notice:** Vendors must be registered in the CCR in order to receive contracts and purchase orders from most federal agencies, including the U.S. Bureau of Reclamation. CCR is a self-service database. Vendors register themselves and maintain their own information through the CCR web site. If not already registered, we encourage entities interested in USBR business to register in the system now, to avoid any disruption or loss of awards after the revised regulation takes effect. To register or learn more about the CCR, go to: [www.ccr.gov/vendor.cfm](http://www.ccr.gov/vendor.cfm)

2. Description of the Work: The work to be performed under this solicitation consists of constructing an interim fish passage structure consisting of plywood walls, crest gate piers and PVC water stop. The work also includes installing three sets of stoplog guides for new stoplog piers located at the spillway. Cle Elum Dam is located 8 miles northwest of Cle Elum, (Kittitas County) Washington.

3. Estimated Price Range of the Project: \$250,000 to \$500,000.

4. Location of Work: The work is located at Cle Elum Dam, eight miles northwest of Cle Elum, (Kittitas County) Washington

5. Dates:

**Tentative** solicitation issue date: July 15, 2004

**Tentative** bid opening date: August 16, 2004

6. Solicitation Availability: The solicitation will be available on a CD-ROM in Adobe Acrobat format. There will be no charge for the first copy of the CD and \$15 for each additional copy requested. We reserve the right to issue the solicitation on paper if it becomes necessary.

To obtain a copy of the CD and be included on the planholder list, offerors must register on our website at [www.usbr.gov/pn/contracts/construction](http://www.usbr.gov/pn/contracts/construction). If you don't provide your DUNS (Data Universal Numbering System) and TIN (Taxpayer Identification Number) on the electronic registration form, we will not send the solicitation to you.

8. Planholders List: A list of planholders for this solicitation will only be available by accessing our website at [www.usbr.gov/pn/contracts/construction](http://www.usbr.gov/pn/contracts/construction) after the solicitation is issued.

9. Full-size Drawings: Except for overprinted drawings containing geologic information only, full-size blackline contact prints (without colored overlays) of any drawing contained in the solicitation will be provided upon receipt of a nonrefundable charge of \$0.50 per print, with a minimum charge of \$5.00. Requests and payments for prints of the drawings should be addressed to the Bureau of Reclamation, 1150 N. Curtis Rd., Suite 100, Boise, Idaho, 83706-1234, Attn: PN-3400. Please allow 10 days for processing orders. Charges for full-size drawings include first class postage; if you desire Federal Express Overnight delivery, please provide your Federal Express Acct Number with your request.

10. Safety Handbook: Offerors are advised that the Department of Labor Safety and Health Regulations for Construction promulgated under section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327, et. seq.) and the Bureau of Reclamation handbook entitled "Reclamation Safety and Health Standards" (RSHS) is applicable to the work under any resulting contract. The RSHS is available at [www.usbr.gov/pn/contracts](http://www.usbr.gov/pn/contracts).
